

BOYS & GIRLS CLUB OF MALIBU DISASTER RELIEF SERVICES

Devoted to Long-Term Recovery Efforts

Boys & Girls Club of Malibu is committed to providing critical support to families affected by the Palisades Fire. Following the 2018 Woolsey Fire, we established our Emergency Relief Fund, distributing over \$2 million and assisting over 3,000 individuals/families through fire relief efforts. We stand ready to support Palisade Fire victims again during these challenging times.

Your donation will support short and long-term recovery efforts, including after-school care and program scholarships, trauma informed individual and group counseling, psycho-education, essential items and ongoing case management.

What Your Donation Supports

- **Maintain stability** for youth through BGCM programs & services, providing a safe space to heal and recover
- **Resource Connection** Connect people with needed resources (English & Spanish)
- **No-cost trauma-informed mental health services** for youth, families and the community at large
- **Physical location** for Disaster Relief Center in Malibu
- **Support finding temporary housing** and shelter needs for those who have lost their homes or are displaced
- **Essential Items** like food, water, clothing, and toiletries to affected families
- **Provide emergency grants** to qualifying Palisades Fire victims

Why Donate to BGCM?

- **Transparent:** Donations support long-term recovery, publicly audited financials
- **Trusted:** Over 25 years of service, with a history of making a positive, lasting impact on the community
- **Efficient:** Immediate response and direct action with timely assistance
